Yearbook Club

7-9th Grade

The spring sessions of the Yearbook Club will begin Thursday, February 3rd. We will meet every Thursday after school from 4-5PM. We have been given access to the computer lab in our building so the students will be able to work on their yearbook projects during our meetings.

Students participating in the yearbook club will be assigned specific responsibilities. They are not required to attend every meeting, they just need to complete their assigned tasks on schedule and let Mrs. Sechrist know whether they will be attending each week. (tsechrist@livingstonclassical.org)

The yearbook will be sent to the press on April 4th so our final meeting will be March 30th.
